HealthSource Clarity v4.5 Release Notes

See the following sections for detailed information on the changes made in this release.

Information	See page
Correspondence Improvements: Logging and Fulfillment reasons combined to one list	4
Correspondence: Letter Title Updated, Date Stamp Added, HIPAA Authorization Form Updated	9
Audit Trail Improvements: Export and Print/Download Request History	10

LOGGING AND FULFILLMENT REASON LIST

HealthSource Clarity v4.5 now has a single list of correspondence reasons for both logging and fulfillment. The verbiage has been updated and is listed below.

Reason	Description
Authorization Missing	An authorization signed and dated by the patient per 45 CFR 164.508, or, in the case of a mi- nor, by his or her parent(s) or legal personal representative under HIPAA (see 45 CFR 164.502(g)), is required. We ask that the attached facility authorization be completed and re- turned to us, so we may process your request.
Authorization missing TPO statement	We are unable to process the attached authorization as it does not meet the HIPAA require- ments of a valid authorization (see 45 CFR 164.058) which states a valid authorization must contain a statement about the ability or inability of the covered entity to condition treatment, payment, enrollment, or eligibility for benefits on the authorization. This statement was missing from the authorization you submitted, so we ask that the attached facility authorization be completed and returned to us so we may process your request.
Certification of Previ- ously Released Rec- ords	Thank you for your medical records request for the patient above. The facility does not certify medical records once they have been released from the facility. Please re-request the records and ask for them to be certified. Once we receive the appropriate request and signed HIPAA compliant authorization, we will process your request and bill according to the state law.
Deceased Patient	In order to honor your request for a deceased patient's records, we will need proof that the in- dividual that signed is the legally authorized executor or administrator, or a person who is le- gally authorized to act on behalf of the deceased individual or his/her estate, as a personal representative with respect to protected health information (see 45 CFR 164.510). A copy of the Executor's Letter naming the Executor for the Estate of the following patient. Please call the following phone number with any further questions.
Description of Disclo- sure Missing	We are unable to process the attached authorization as it does not meet the HIPAA require- ments of a valid authorizing (see 45 CFR 164.508) which states a valid authorization must con- tain a description of the information to be disclosed (visit dates, types of record and reports). A description of the information to be disclosed was missing from the authorization you submit- ted, so we ask that the attached facility authorization be completed and returned to us so we may process your request.
Electronic Signature	Thank you for your medical records request for the patient above. However, we cannot dis- close medical records with an electronic signature of the patient that does not meet the United States Electronic Signatures in Global and National Commerce Act (ESIGN) and the Uniform Electronic Transactions Act (UETA). These Acts outline major requirements for an electronic signature to be recognized as valid under US law. Those requirements are:
	• Intent to sign by showing that the individual who has provided the electronic signature approved terms and read and approves the content of the document, identifies the signer and shows the integrity of the document

<u>CiOX</u>™

• Consent to do business electronically • Clear signature attribution with the capability of verification • Association of signature with the record • Record retention • A certification of the requestor's policies or the standards used to verify electronic signatures, incorporating the elements of message integrity, non-repudiation, and user authentication described above. In order to honor the electronic signature provided please show proof that the above requirements were met. Please resubmit your request with a handwritten signature so we may fulfill your request. In order to honor your request for a deceased patient's records, we will need proof that the in-dividual that signation is the legally authorized executor or administrator, or a person who is legally authorized to a to behalf of the deceased individual or his/her estate, as a personal representative with respect to protected health information (ees 45 CFR 164.510). A copy of the Executor's Letter naming the Executor for the Estate of the following patient. Please call the following phone number with any further questions. We need a copy of the Executor's Letter naming the Executor for the Estate of the patient. Expired Authorization Thank you for your request with a valid authorization. Forms Completion Thank you for your request with a valid authorization. Health Care Power of Atterned the facility must be specified on the request letter/authorization. 	notice to the individual (patient) • Attests that the written notice to the patient included sufficient information about the legal proceeding to permit the patient to raise objections to the court or administrative tribunal
	 Assures that the deadline for the patient's objections has passed and the patient made no objections or any objections made have been resolved
	Or the subpoena can be accompanied by an authorization by the patient or a court order. Please provide one of the above and return that with the subpoena so that we may process this judicial request.
Missing Hospital Name	Thank you for your medical records request for the patient above. Your request was received at a location that services multiple facilities. To process your request, we need the name of the facility at which the patient was seen (see 45 CFR 164.508). Please resubmit your request with the correct facility name.
Need More Information to Identify Patient	In order to protect the confidentiality of patients, federal law, 45 CFR 164.508, prohibits the release of protected health information without proper authorization. In order for a request for medical records to be processed properly, the patient name, date of birth, or social security number must appear in the request in order for the patient to be identified. One or more of these details were not found in your initial request. Please update your request and resubmit it to the facility in order to have your request processed.
No Dates of Treatment as Requested	We show no treatment at this facility for the dates of service you requested. Please review the request and authorization provided to update to include treatment dates in which the patient was seen and resubmit your request with the necessary information.
Notice of Delay Letter	Thank you for your medical records request for the patient above. At this time, we have not been able to fulfill your request due to a delay in processing. Pursuant to (State Law), we are required to notify you of the delay. We are still working on your requests and will fulfill it as soon as possible.
Notice of Delay: In- complete Chart	We have received your request for a copy of the above patient's medical record. The Medical record is administratively incomplete at this time. Upon completion, we will process your request. We apologize for any inconvenience.
Notice of Delay: Tem- porarily Unable to Lo- cate Records	We are temporarily unable to process your request due to the record being archived and not readily accessible. We are requesting a 30 day extension to process this request and will continue our search and contact you as soon as we have located the records.
Out-Patient Lab Re- sults - Private Practice Only	The Health Information Management Department is the custodian of records generated by are clinicians that provide treatment for our covered entity. The records you are requesting were handled by a clinician that maintains their medical records in their private practice in which we do not have access to fulfill your request. Please submit this request to the clinician that or-dered or administered the treatment.
Out-of-State Subpoena	The hospital is unable to respond to a subpoena by an out-of-state court. It is necessary for you to obtain a subpoena or court order from a court within the jurisdiction of the healthcare facility. If doing so cannot be done, you must obtain an authorization signed by the patient and dated within 90 days of the date of receipt. Please re-submit your request with the necessary

	information.
Patient Electronic De- livery Access Code	We received your request to have copies of your medical records delivered to you electronical- ly. Your Invoice number, a PIN, and a 4-digit Access Code will be required when entering in- formation online to ensure that access to your medical records is secure and only available to you. For security reasons the Invoice number and PIN have been sent to you via separate emails from edelivery@cioxhealth.com. To access your Medical Records online please follow the instructions provided in the emails.
Patient Not Found	We have been unable to locate a record for the above-named patient. We will gladly recheck our records if you can provide and verify the following information: date of birth, treatment types and dates, attending physicians, the specific outpatient department in which the patient was seen, or other names under which the patient might have been admitted. Please re- submit your request with the necessary information and will process your request upon receipt.
Poor Image Quality	The information you requested has been microfilmed. Unfortunately, we are not able to pro- duce a quality copy from the film. The information is readable on the microfilm reader printer, but it is not readable on the copies. If you would like to come to our department and view the film, please contact us, and we will make the film available for viewing.
Person Authorized to Make Disclosure Miss- ing	We are unable to process the attached authorization as it does not meet the HIPAA require- ments of a valid authorizing (See 45 CFR 164.508) which states a valid authorization must contain a description of the purpose of the requested use of disclosure of protected health in- formation. The purpose was missing from the authorization you submitted, so we ask that the attached facility authorization be completed and returned to us so we may process your re- quest.
Records Purged	We regret to inform you that the records you requested are no longer available for this patient for the date(s) of treatment specified. In accordance with state medical record retention requirements, the medical record has been purged. We apologize for any inconvenience.
Redisclosure by Recip- ient Missing We are unable to process the attached authorization as it does not meet the HIPAA re no longer protected by the HIPAA Privacy Rule. This statement was missing from the zation you submitted, so we ask that the attached facility authorization be completed a turned to us so we may process your request.	
Request Expiration Date Missing	We are unable to process the attached authorization as it does not meet the HIPAA require- ments of a valid authorization (Section 164.508) which states a valid authorization must con- tain an expiration date or event for which the request will expire. No such date or event is in- cluded in the authorization you submitted, so we ask that the attached facility authorization be completed and returned to us so we may process your request.
Requested documents are not permitted to be released per facility policy	The information you requested are not part of the facilities designated record set as it is not used to make decisions about the patient's care and is therefore not subject to disclosure under HIPAA (see 45 CFR 164.501). We regret to inform you but we must deny access to that information, should you have any questions you may call the Office of Civil Rights, Department of Health and Human Services at 1-800-368-1019 or online at https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf.
Restrictive Authoriza- tion	Thank you for your medical records request for the patient above. The authorization that you provided does not authorize specific items and/or protected health information governed by

	state and federal law that is incorporated within the medical records, therefore please pro- vide a HIPAA Authorization completed by the patient authorizing all components to be re- leased. If you have any questions, please feel free to contact us.
Right to Revoke Miss- ing	We are unable to process the attached authorization as it does not meet the HIPAA require- ments of a valid authorization (Section 164.508) which states a valid authorization must con- tain a statement pertaining to the individual's right to revoke authorization. This statement was missing from the authorization you submitted, so we ask that the attached facility author- ization be completed and returned to us so we may process your request.
Signature Discrepancy	Thank you for your medical records request for the patient above. Upon review of the author- ization provided, we have determined that there is a signature discrepancy. The signature on your patient authorization does not match the signature on file. The HIPAA Privacy Rule re- quires a covered entity or business associate to take reasonable steps to verify the identity of an individual make a request for access. See 45 CFR 164.514 (h). To protect the patient's health information, we ask that you please provide a copy of the patient's valid ID with an au- thorization signed by the patient or their legal representative. Alternatively, you can have the signature notarized for validation. Please resubmit your request with the corrected infor- mation to the address listed above.
Statement of Assur- ance	We are in receipt of the attached subpoena. Upon review, we have determined that satisfac- tory assurances under HIPAA (see 45 CFR 164.512(e)(1)(iii)) have not accompanied the subpoena. Please either provide proof of assurance that the opposing party was served with a copy of the subpoena and no objections were filed or a signed authorization from the pa- tient. Please submit the required documentation to the address listed above.
Written Consent Re- quired (To Patient) Missing	We have received a request for information contained in your medical record. However, we cannot respond to this request until we receive an authorization from you, the patient (see 45 CFR 164.508). Please complete the attached facility authorization form and submit to us to process the request for records.
Other	You must edit the Request Refusal Letter if you select Other.

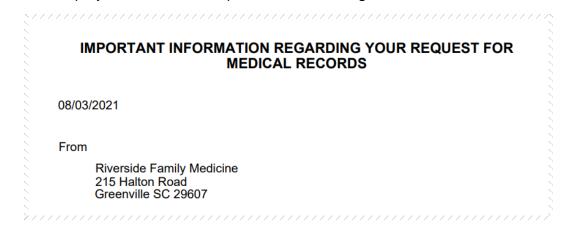

CORRESPONDENCE LETTER TITLE

"Request Exception Notice" title is updated with "Important Information Regarding your Request for Medical Records"

DATE ADDED TO CORRESPONDENCE LETTER

A Date will be displayed when a correspondence letter is generated.

HIPAA AUTHORIZATION FORM

HIPAA Authorization Form is updated to reflect sensitive information language such as Sexually Transmitted Disease.

I authorize the disclosure of the following types of highly sensitive information: ____drug and alcohol; ____mental health (psychiatric); _____HIV/AIDS testing and treatment; _____sexually transmitted disease.

Audit Trail Improvements

Users will be able to export the Audit Trail and be able to print or download the Request History. Request History displays patient identifiers such as Patient Name, Patient Account Number, eRequest ID, Site, Log ID, and Request Status.
